

1. Do you feel you are learning enough in the course at this time?

Yes

No

2. Do you think I am participating or moderating the discussion questions?

Too actively (not allowing enough student discussion)

About the right amount

Not enough interaction

Please provide any constructive comments about how I could better manage the discussions.

3. Are the readings helpful or would you prefer a traditional textbook?

The readings are fine

A textbook would be great

No opinion

Comments

4. Can you provide any other suggestions for improving the course?
